

## Long Distance Services to Campus

A brief guide to coach and train services from regional and interstate areas to the University

### CountryLink Train Services

The map below shows CountryLink train services from Newcastle (Broadmeadow Railway Station) to the various parts of New South Wales. Also shown are the links operating to interstate and major capital cities.

### Long Distance Coach Services

Use this map below to see where coach services operate to and from Newcastle. You can then refer to the operator of the service to obtain timetable and fare information.
