I elect to have the University of Newcastle pay the employee contributions otherwise payable by me through a form of salary sacrifice:

I acknowledge that:

- The salary otherwise payable to me will be reduced by the normal contribution plus the 15% contributions tax payable by UniSuper, eg after tax contribution of 7% plus 15% contribution tax = 8.25% before tax deduction;
- Superannuation benefits will continue to be based on the salary before reduction;
- Contributions and subsequent earnings will be subject to the preservation rules;
- I may change to post-tax contributions should I elect to do so in writing;
- This arrangement will be bound by the Trust Deed and superannuation law.

I understand and accept the above conditions and the terms of the UniSuper Consolidated Trust Deed and the University of Newcastle Flexible Salary Packaging Policy.
