FACULTY OF SCIENCE AND INFORMATION TECHNOLOGY

HONOURS SCHOLARSHIPS 2012

MID-YEAR INTAKE

The Faculty of Science and IT Honours Scholarship is established to encourage and support undergraduate students entering an Honours program with the aim of progressing to a Research Higher Degree offered by the Faculty of Science and Information Technology.

An Honours program can be undertaken in a variety of research areas and will provide students with the necessary experience and knowledge working closely with well-established researchers in high quality research environments, for progression to a Research Higher Degree program if they so wish. The Faculty Honours Scholarships to be offered for Semester 2 2012 are valued at \$2,000 each. Applicants will be informed of the outcome in mid-June 2012.

Further information is available through the University Scholarships website at: <http://webapps.newcastle.edu.au/scholarships/index.cfm>.

Applications close on 3rd June 2012 for commencement in Semester 2 2012.
