# SUMMER SCHOLARSHIPS 2011/12

The Faculty of Science and IT Undergraduate Summer Scholarship program is established to enable talented students to explore the world of research. The Summer Scholarships are available in a variety of research areas and will provide students with a valuable and rewarding experience working with well-established researchers in high quality research environments.

The Faculty Summer Scholarships to be offered for 2011/12 are valued at $2,000 each. Scholarship holders will undertake research projects over a 6-week placement.

Further information is available through the University Scholarships website at:
