FACULTY OF SCIENCE AND INFORMATION TECHNOLOGY

## VISTING SUMMER SCHOLARSHIPS 2011/12

The Faculty of Science and IT Undergraduate Visiting Summer Scholarship program is established to enable talented students from Universities within Australia to explore the world of research. Visiting Scholarships are available in a variety of research areas and will provide students with a valuable and rewarding experience working with well-established researchers in high quality research environments.

Applications are invited from undergraduate students currently enrolled in 2nd or 3rd year of a Science related program at an Australian University. There are a limited number of Visiting Summer Scholarships to be offered for the 2011/12 summer period.

Research areas of interest are available in the eight (8) Priority Research Centres and numerous Research Groups and Centres within the four (4) Schools.

Further information is available from the Research Group/Centre on the website at:

[www.newcastle.edu.au/faculty/science-it/research/centres/](http://www.newcastle.edu.au/faculty/science-it/research/centres/)

or contact Ms Lina Bozinovska.

### Successful scholars will each receive:

- \$1,500 Stipend (for a 6-week placement over the 2011/2012 summer period);
- Accommodation; and
- Return transportation within Australia.

**Applications close on Friday 7th October 2011.**
