<p>Minimum to meet Core & Directed requirements. Maximum of 100 Units</p>	<p>No minimum or maximum other than Core & Directed requirements.</p>	<p>Minimum 60 units. No maximum number of units.</p>	<p>It is a student's responsibility to check that they are correctly enrolled.</p>																																																						

- NOTES:**
- The Program Handbook is the official document listing all the rules you need to meet, plus courses required or available in the program <http://www.newcastle.edu.au/program/10587.html>
 - A load of 80 units per year for 3 years is the standard full-time load.
 - There are minimum and maximum requirements for totals of APPROVED (core, or directed) and ELECTIVE courses. Please ensure the conditions in the right-hand column are met.
 - An ELECTIVE course can be any unrestricted offering at the University, including any additional courses from those listed in the B Environmental Science and Management.
