

THE UNIVERSITY OF  
NEWCASTLE  
AUSTRALIA

For International  
Students  
**2012**

# PROGRAMS AND FEES

# OUR LOCATIONS

## NEWCASTLE CAMPUS, CALLAGHAN

Located on a 140-hectare site of natural bushland 12 kilometres west of the city of Newcastle, our Callaghan campus has a reputation for being one of the most naturally beautiful campuses in Australia. Callaghan is our original campus and the place where the majority (around 16,000) of our students are based.

## NEWCASTLE CITY PRECINCT

In the centre of Newcastle, University House is home to Newcastle Business School and the University of Newcastle Legal Centre. This landmark art-deco sandstone building is conveniently situated in the city's arts and legal precinct. Part of our School of Drama, Fine Art and Music is located in the same precinct, including the Conservatorium with 500 seat concert hall and 40 teaching and practice studios.

## CENTRAL COAST CAMPUS, OURIMBAH

Our Central Coast campus at Ourimbah is less than an hour's drive from northern Sydney, and less than 15 minutes from beaches and bushland. Nestled in a valley and featuring a beautiful rainforest creek, the campus is a living laboratory for environmental sustainability. There are a variety of courses offered here such as oral health, podiatry, early childhood teaching, management, food science and human nutrition as well as majors within the science degree program of sports science, marine science and sustainable resource management.

## SYDNEY

Our Sydney presence balances the benefits of studying with a high-ranking, long-established institution with easy access to the conveniences of Sydney's central business district and surrounding areas. In Sydney, we offer Masters degree programs in Business and Professional Accounting as well as preparatory programs in English Language (ELICOS). Our purpose-built teaching facilities include lecture theatres, tutorial rooms, a resource library, student common and study areas, computers and scanners all serviced by wireless internet coverage.

## SUPPORT

Our Student Experience and Community Engagement Team coordinates a range of welfare and support services. The team offers practical support to students who find themselves in unfamiliar circumstances, or who need local advice and help with getting to the university and finding somewhere to stay; orientation; issues that may interfere with academic performance or wellbeing. For information, visit [www.newcastle.edu.au/students/international/student-support/](http://www.newcastle.edu.au/students/international/student-support/)

## WHAT CAN I STUDY?

You will find details of our undergraduate, postgraduate coursework and online programs on the following pages. To find out more about programs, admission criteria, electives and specialisations, please visit [www.newcastle.edu.au/what-can-i-study/](http://www.newcastle.edu.au/what-can-i-study/)

## WHERE TO STAY

We understand that it's important for you to have access to secure, affordable and comfortable accommodation. We offer both on-campus and off-campus accommodation options in Newcastle and the Central Coast.

On-campus accommodation ranges from shared rooms to single occupancy, with or without catering. There is also a good range of off-campus accommodation options and you don't need to live next door to the campus - most suburbs are well-served by public transport, making travel to and from the campus easy.

The University's Accommodation Service staff can provide you with information on rental options and Homestay accommodation. For full details, visit [www.newcastle.edu.au/service/accommodation](http://www.newcastle.edu.au/service/accommodation)

# REASONS

TO CHOOSE THE  
UNIVERSITY OF  
NEWCASTLE

## 1. People who study here do well

We produce confident, well-equipped, 'job-ready' graduates, who go on to great careers.

## 2. We're hands-on and responsive in the way we teach

Our degree programs focus on both academic and professional training and prepare students for the real world.

## 3. We provide a great environment for study

We offer our students the best possible opportunity and environment to shape their futures.

## 4. World class research is done here

We attract and support talented, keen researchers and invest in world-class research facilities.

## 5. This is a place of opportunity

Whether you want to broaden your mind, advance your career, increase your knowledge, travel the globe or change the world, we can provide you with the opportunity and real-life skills to do it.

## WHY CHOOSE NEWCASTLE?

In 2011, the international publication, Lonely Planet, named Newcastle as one of the world's top ten cities to visit. Lonely Planet described Newcastle as "a unique blend of imagination, sophistication and laid-back surf culture" with "a sun-drenched subtropical climate and diverse dining, nightlife and arts."

Set on a breathtaking stretch of Australia's Pacific Ocean coastline, Newcastle is the

only city in Australia where the central business district is positioned on both the beach and the harbour waterfront. With six patrolled beaches within five kilometres of the city centre, there are plenty of opportunities to enjoy the coastal way of life. Together with its low cost of living and favourable climate, Newcastle is relaxed, affordable and welcoming.

## RESEARCH

We attract and support talented, keen researchers and invest in world-class research facilities. Our students have the opportunity to learn from some of the world's leading researchers who are developing new theories, new solutions and new ways of thinking.

Choose to study with us and you will be part of a university that holds a unique position as the most research intensive university outside an Australian capital city. We have a reputation for academic and research excellence. For more information about research opportunities go to: [www.newcastle.edu.au/research/](http://www.newcastle.edu.au/research/)

## HOW WE RANK

We are constantly developing and improving our reputation for academic and research excellence. The University of Newcastle is currently ranked:

- **9th in Australia for publicly funded research**  
([www.newcastle.edu.au/about/at-a-glance.html](http://www.newcastle.edu.au/about/at-a-glance.html))
- **59th university in the Asia-Pacific region**  
Shanghai Jiao Tong University Academic Ranking 2010
- **352nd university in the world**  
Shanghai Jiao Tong University Academic Ranking 2010
- **256th university in the world**  
QS World University Rankings 2010
- **100th in the world for Life Sciences and Medicine**  
QS World University Rankings 2010
- **112th in the world for Engineering and Technology**  
QS World University Rankings 2010

The University of Newcastle is an Associate Member of the Group of Eight (Go8) Deans of Engineering and Associates – a coalition of Australia's leading engineering faculties.

# OUR FEES

Details on University fees can be found at: [www.newcastle.edu.au/service/fees/](http://www.newcastle.edu.au/service/fees/)

The tuition fees listed at the above website and in this publication cover teaching costs only. The fees listed do not include international and domestic travel, accommodation and meals, books, living costs or Overseas Student Health Cover (OHSC) charges. The fees listed are in Australian dollars (AU\$) and are the average price of a program per year. They are INDICATIVE only. The actual program fee may vary depending on course selection. This means that if two students enrol in the same program, but study different courses during the year, they may pay different program fees.

The University of Newcastle reserves the right to withdraw any program or course; change the content or other aspects of any program or course; limit enrolments in any program or course; and/or alter the tuition fees for any program or course described in this publication.

# ENGLISH LANGUAGE COURSES

ELICOS Program  
CRICOS Code: 012326A

The University of Newcastle's Language Centre has been one of Australia's foremost centres for English language training (ELICOS) for over 20 years. Our wide range of high-quality English courses, experienced staff, modern facilities in Newcastle and Sydney, and diverse student body will provide an enriching educational and cultural experience for you.

We offer the following courses in Academic and General English training. Each course is ten weeks long, and new courses start every 5 weeks. We offer 25 hours of face-to-face class time each week.

**Beginner** – developing basic English skills for students with little or no previous English training

**Elementary** – developing basic English skills for educational and social needs

**Intermediate** – developing communication and language skills to allow students to function effectively in an English speaking environment

**Upper intermediate** – building language skills necessary for participation in a wide range of social and vocational activities

**English for Academic Purposes** – developing language skills relevant to tertiary study. Students who pass this level will gain direct entry into University of Newcastle degree programs.

**General English** – for students wishing to improve their English communication and language skills for a variety of situations

**Study tours** – for groups who wish to combine English language classes with professional training and/or cultural activities

**Internships** – for students who wish to undertake intensive English training before work placement in the Newcastle and/or Sydney area

For more information go to: [www.newcastle.edu.au/students/english-language/english-language-courses/](http://www.newcastle.edu.au/students/english-language/english-language-courses/)

## HOW DO I APPLY?

You can apply online right now with our self-assessment tool UniOffer, at: [www.international.newcastle.edu.au](http://www.international.newcastle.edu.au) or you can send us a paper-based application form, which you'll find in our program brochures, or via download at: [www.newcastle.edu.au/students/international/our-programs/how-to-apply/](http://www.newcastle.edu.au/students/international/our-programs/how-to-apply/)

Send your completed form to International Admissions: [IA@Newcastle.edu.au](mailto:IA@Newcastle.edu.au) or to a

representative office in your home country. Please note that the University will accept only original or certified documents. Copies must be certified by either an authorised officer of the official records department of the institution that originally issued the document, or by an authorised officer of an Australian overseas diplomatic mission or any Australian Education Centre.
