

# CONGRATULATIONS TO OUR

# AWARD WINNING ACADEMICS

A hearty congratulations to the academic colleagues listed below who this year have taken out 2 of the 9 awarded Vice Chancellor's Citations for Outstanding Contributions to Student Learning in 2010.

This is a great result for the individuals involved and a broader reflection of the quality of teaching across the School.

**Jocelyn McKinnon (Faculty of Education and Arts)**

For outstanding contributions to student learning in designing and implementing a dynamic student-centred degree major in Creative Arts that fosters independent critical thinking and innovative art making.

**Kit Messham-Muir (Faculty of Education and Arts)**

For inspiring and motivating first-year visual arts students through innovative teaching practices, redesigning course material and assessments and creating comprehensive online learning environments.
