

School of Humanities and Social Science 2009 Student Forum Members

The School of Humanities and Social Science (SHASS) Student Forum is an informal meeting of students that aims to facilitate communication between students and staff from all degrees and disciplines taught in the School. The Student Forum appoints two student representatives to the School Board. All SHASS students are welcome to contact the following student forum members. While they are not formal grievance advisers, they are willing to discuss any problems you may be having and who you can take them to. If there are issues of general concern, they will bring them up for discussion at the Student Forum and make representations to the School Board. Students can also submit anonymous suggestions and comments via the Suggestion Box outside the School of Humanities and Social Science Office (MC127). Suggestions can also be posted to the School via the School email address (Humanities-SocialScience@newcastle.edu.au). Alternatively, you can contact the Student Forum Convenor – Dr Ann Taylor (Ann.Taylor@newcastle.edu.au).
